REPLY TO OFFICE ACTION

In reply to the Office Action mailed October 12, 2004, Applicant offers the following remarks.

The Examiner stated that the reissue oath/declaration was defective because the reissue application: (1) did not repeat a foreign priority claim made in the original patent and (2) did not incorporate the changes made on the certificate of correction. See ¶¶ 1-2.

In response, Applicant submits a Supplemental Reissue Declaration along with a Claim for Priority and a new Abstract. The Supplemental Reissue Declaration includes the language indicated as acceptable by the Examiner. In the Claim for Priority, Applicant repeats the foreign priority claim made in the original patent, namely the benefit of United Kingdom Application Number 9930693.8, filed December 24, 1999. Applicant notes that a certified copy of the priority application was filed on January 15,
